Hi all,

Just a heads, that I have to do my taxes really early as I need to process mine to process multiple 1099s for various on-site managers. Last year, I handled this through Bob and he was excellent - very timely and helpful. Will you all be handling the Sunday's market taxes through Bob? If so, perfecto - he has all my info. If not, please let me know who I should connect with and I'll get my info over to that person straight away. Hoping to get everything handled by the end of January,

Here anytime, and Happy Holidays!

Best,

Cynthia
